Introducing Gloucestershire Wildlife Trust

We are Gloucestershire Wildlife Trust – the largest membership organisation in the county dedicated to local wildlife. We own and manage more than 60 nature reserves across the county, all of which offer free access for visitors. 28,000 members in Gloucestershire support our work, with hundreds regularly volunteering time and commitment.

Our mission is a simple one – to value nature. Our ambition is to restore, recreate and reconnect Gloucestershire's wild places. We want everyone in Gloucestershire to value, enjoy and share the natural world.

Our priorities are outlined in our Strategic Plan: Wild Places, Natural Solutions – <http://www.gloucestershiREWildlifeTrust.co.uk/about-us/who-we-are/strategic-plan>

Our vision is ambitious, but we believe we can deliver it by:

- Creating bigger, better, more connected wild places where people and wildlife can thrive
 - Inspiring more people and communities to take action for wildlife
 - Leading on 'natural solutions'; championing the value of what wildlife can do for us
 - Growing our resources, influence and reach to shape a strong, resilient organisation

Gloucestershire Wildlife Trust manages over 2,500 acres of land, from wetlands in the Severn Vale and heathland in the Forest of Dean, to limestone grasslands in the Cotswolds and a large ancient woodland at Lower Woods in South Gloucestershire. In addition to our community programmes, we have a vibrant programme of work outside our reserves, supporting farmers and landowners to deliver bigger, better and more connected landscapes where wildlife can thrive.

Gloucestershire Wildlife Trust expects its staff, paid and unpaid, to carry out their duties in a way which consistently exceeds the regulations and expectations of society at large in matters ethical and environmental. The Trust will ensure that its staff receives appropriate training and development opportunities based on a documented personal annual appraisal.
